RE: Appointment Request to Review Pathology Results for [Patient Name] (DOB: [Patient Date of Birth])

Dear Dr. [Doctor's Last Name],

I am writing to formally request a follow-up appointment to discuss the results of the pathology report regarding the [type of procedure, e.g., biopsy/surgery] performed on [Date of Procedure].

I received notification that the results are now available, and I would like to schedule a time to review the findings with you in detail. I am interested in understanding the diagnosis, the implications for my health, and what the next steps in my treatment plan will be.

I am generally available on [Preferred Days/Times], but I am happy to adjust to your earliest availability. Please let me know if there is a specific time that works best for your office, or if I should call your scheduling assistant directly at [Clinic Phone Number].

Thank you for your time and for the care you are providing.

Sincerely,

[Your Signature]
