Subject: Reminder: Your Postpartum Well-Woman Visit

Dear [Patient Name],

Congratulations on the birth of your baby! This is a friendly reminder to schedule or attend your postpartum well-woman preventative care appointment.

This visit is an essential part of your recovery and long-term health. During this appointment, we will discuss:

- Your physical and emotional recovery from childbirth.
- Management of any pregnancy-related complications.
- Future reproductive health and family planning.
- Chronic health screenings and mental health wellness.

Appointment Details:

Date: [Date of Appointment or "To Be Scheduled"]

Time: [Time of Appointment]

Location: [Clinic Name/Address]

If you have already scheduled this visit, we look forward to seeing you. If you need to schedule, reschedule, or cancel, please call our office at [Phone Number] or visit our patient portal at [Website].

Your health is a priority. We look forward to supporting you during this important time.

Sincerely,

[Provider/Clinic Name]
