[Patient Address]

[City, State, Zip Code]

Dear [Patient Name],

This is a follow-up letter regarding your recent visit to [Urgent Care Center Name] on [Date of Visit] for [Reason for Visit/Symptoms].

We are contacting you to check on your recovery progress. It is important to us that you are feeling better and that your symptoms are improving as expected. Please review the following information:

- **Lab Results:** [Your results were normal / We are still awaiting results / Please call us to discuss your results].
- **Medications:** Ensure you complete the full course of any prescribed medications, even if you feel better.
- **Follow-Up:** We recommend that you schedule a follow-up appointment with your primary care physician within [Number] days.

When to Seek Immediate Care:

If you experience worsening symptoms, high fever, difficulty breathing, or any new concerning symptoms, please return to our clinic, visit the nearest Emergency Room, or call 911 immediately.

If you have any questions regarding your treatment or the instructions provided during your visit, please call our office at [Phone Number].

Wishing you a speedy recovery.

Sincerely,

[Provider Name/Clinic Staff]
