Dear [Patient Name],

This letter is a reminder that you are due for your annual Prostate Specific Antigen (PSA) blood test.

Routine screening is an important part of managing your prostate health. Early detection through this simple blood test allows for better monitoring and more effective treatment options if necessary.

Please contact our office at [Phone Number] to schedule your appointment or to request a lab order. You may also schedule through our online patient portal at [Website URL].

If you have already had this test performed recently or have an upcoming appointment scheduled, please disregard this notice.

Sincerely,

[Doctor's Name/Clinic Name]
