Dear [Patient Name],

We are writing to inform you that we have received the results of your recent pathology tests performed on [Date of Test].

Your results show some abnormalities that require a follow-up discussion with your doctor. Please note that while these results need attention, an abnormal result does not always indicate a serious condition, but it is important that we review them with you to determine the next steps in your care.

Action Required: Please contact our clinic at [Phone Number] at your earliest convenience to schedule an appointment. When calling, please mention that you are responding to a "Result Recall Letter."

If you have already scheduled an appointment to discuss these results, please disregard this letter.

Sincerely,

[Doctor/Provider Name]
