Dear [Patient Name],

Our records indicate that you are due for a routine bone health assessment, which may include a DEXA (bone density) scan.

Maintaining strong bones is an essential part of your overall health. These periodic evaluations allow us to monitor your bone density, assess the risk of fractures, and manage conditions such as osteoporosis or osteopenia effectively.

Please contact our office at [Phone Number] to schedule your appointment. If you have recently had this screening performed at another facility, please let us know so we can update your medical records.

We look forward to seeing you soon.

Sincerely,

[Provider Name/Clinic Signature]
