Subject: Important Reminder Regarding Your Health Screening

Dear [Patient Name],

Our records indicate that you are now overdue for your routine Sexually Transmitted Infection (STI) screening. Regular testing is a vital part of maintaining your sexual health and overall well-being.

Many infections do not show immediate symptoms, and early detection is key to effective treatment and preventing further health complications.

Please contact our clinic at [Phone Number] to schedule your appointment. Alternatively, you can book online through our patient portal at [Website URL].

If you have already completed this screening elsewhere, please let us know so we can update your medical records.

Thank you for prioritizing your health.

Sincerely,
