Dear [Patient Name],

Subject: Reminder for Your Routine Sexual Health Screening

Our records indicate that you are now due for your routine sexual health and infection screening. Regular screening is a proactive part of maintaining your overall wellbeing and is recommended even if you are not experiencing any symptoms.

This routine check-up typically includes testing for common infections such as Chlamydia, Gonorrhea, HIV, and Syphilis. The process is confidential, quick, and simple.

How to book your appointment:

- Call us at: [Phone Number]
- Book online via: [Website URL]
- Visit the clinic at: [Clinic Address]

If you have recently had a screening elsewhere or believe this reminder has been sent in error, please let us know so we can update your medical records.

Thank you for taking care of your health.

Yours sincerely,
