

Dear [Patient Name],

Welcome to [Hospital/Center Name]. You are receiving this letter because your care is being managed by our Multidisciplinary Oncology Team.

Our team consists of specialists from different fields who work together to create a personalized treatment plan for you. This collaborative approach ensures that you benefit from the combined expertise of various experts in one place.

Your Care Team includes:

- Medical Oncologists
- Surgical Oncologists
- Radiation Oncologists
- Pathologists and Radiologists
- Specialized Oncology Nurses
- Patient Navigators and Social Workers

What to expect next:

- **Tumor Board Review:** Our specialists will meet to discuss your specific case and diagnosis.
- **Consultation:** You will meet with members of the team to discuss our recommended treatment plan.
- **Support:** Your Patient Navigator will be your primary point of contact for scheduling and questions.

We are committed to providing you with the highest quality of care and support throughout your journey.

If you have any immediate questions, please contact [Contact Name/Department] at [Phone Number].

Sincerely,

The Oncology Care Team
[Hospital/Center Name]
