Dear [Patient Name],

Welcome to [Clinic Name]. We are pleased that you and your referring physician have chosen our facility for your biologic therapy treatments.

Biologic therapies are specialized medications derived from living organisms. Our goal is to provide you with a safe, comfortable, and supportive environment throughout your treatment journey. Our team of specialists will monitor your progress closely to ensure the best possible outcomes.

Your First Appointment

Your initial session is scheduled for:

- **Date:** [Date]
- **Time:** [Time]
- **Provider:** [Provider Name]

What to Bring

- A valid photo ID and insurance card.
- A list of all current medications and supplements.
- Any recent lab results or medical records related to your condition.
- Comfortable clothing, as some treatments may take several hours.

What to Expect

During your first visit, we will review your medical history, discuss the specific biologic medication prescribed, and explain the administration process (such as injection or infusion). We will also go over potential side effects and answer any questions you may have.

If you need to reschedule or have urgent questions before your visit, please call us at [Phone Number].

We look forward to meeting you and assisting with your healthcare needs.

Sincerely,

[Staff Name/Signature]
