Re: Recent Blood Work Results

Dear [Parent/Guardian Last Name],

I am writing to inform you that we have received the results of the blood tests performed for [Child's First Name] on [Date of Test].

I am pleased to share that all of the laboratory results are within the normal range for a child of [Child's First Name]'s age. These results indicate that the specific areas we tested are functioning as expected, and no further action or follow-up testing is required at this time regarding these results.

We will continue to monitor [Child's First Name]'s health during their regularly scheduled well-child visits. If you have any specific questions about these results or if you have new concerns about your child's health, please do not hesitate to contact our office at [Phone Number].

Sincerely,

[Provider Name, Credentials]
