RE: Lab Results

Dear [Patient Name],

I am writing to provide you with the results of your recent blood work performed on [Date].

I am pleased to inform you that all of your laboratory results returned within the normal range. Specifically, your [mention specific tests, e.g., cholesterol, blood sugar, kidney function] look excellent and show no areas of clinical concern at this time.

Because these results are normal, no changes to your current treatment plan or follow-up appointments are necessary based on these labs. Please continue with your current medications and health routine as previously discussed.

A copy of your lab report is enclosed for your personal records. If you have any specific questions regarding these results or if you are experiencing any new symptoms, please do not hesitate to contact our office or schedule a follow-up through the patient portal.

Sincerely,

[Doctor's Signature]
