Re: Follow-Up Regarding Specialist Consultation with [Specialist Name]

Dear [Patient Name],

I have received and reviewed the consultation report from [Specialist Name] regarding your recent visit on [Date of Consultation]. Based on their findings and recommendations, I would like to outline the next steps in your treatment plan.

The primary recommendations from the specialist include:

- [Recommendation 1: e.g., New medication/dosage change]
- [Recommendation 2: e.g., Additional diagnostic testing]
- [Recommendation 3: e.g., Lifestyle modifications or physical therapy]

To ensure we implement these changes effectively, I have scheduled a follow-up appointment for you at my office on [Date] at [Time]. During this visit, we will discuss these results in detail and answer any questions you may have.

Please continue with your current medications until our meeting, unless you have been specifically instructed otherwise by the specialist. If you experience any new or worsening symptoms before our appointment, please contact our office immediately.

We look forward to seeing you soon.

Sincerely,

[Doctor Signature]
