Dear [Patient Name],

I am writing to follow up on the results of your skin biopsy performed on [Date of Biopsy] at the [Location of Biopsy, e.g., left forearm].

The pathology report has been reviewed. The results indicate: [Insert Diagnosis/Finding].

**Next Steps:**

- [Option 1: No further treatment is needed at this time.]
- [Option 2: A follow-up appointment is required to discuss treatment options.]
- [Option 3: A procedure to remove the remaining area has been scheduled for [Date/Time].]
- [Option 4: Please call our office to schedule a surgical excision.]

If you have any questions regarding these results or the recommended plan, please call our office at [Phone Number].

Sincerely,

[Doctor Signature]
