RE: Follow-up on Telehealth Discussion - Biopsy Pathology Results

Dear [Patient Name],

This letter is to summarize our telehealth consultation on [Date of Visit] regarding the pathology results from your biopsy performed on [Date of Biopsy] at [Location/Site of Biopsy].

As we discussed during our video call, the pathology report indicates the following: [Insert Brief Summary of Findings].

Based on these results, our agreed-upon plan is as follows:

- [Treatment/Procedure Recommendation]
- [Referral to Specialist, if applicable]
- [Medication Changes, if applicable]
- [Scheduled Surveillance or Repeat Testing]

I have attached a copy of the formal pathology report for your records. I have also sent the necessary orders to [Laboratory/Clinic Name] and/or the referral to [Specialist Name].

If you have any further questions or if you experience any new symptoms before our next scheduled appointment on [Date of Next Appointment], please contact my office at [Phone Number] or through the patient portal.

Sincerely,
