Subject: Urgent Follow-Up Required Regarding Your Recent ER Visit

Dear [Patient Name],

We have received information regarding your recent visit to the Emergency Room at [Hospital Name] on [Date of Visit]. To ensure your continued recovery and safety, it is vital that you schedule a follow-up appointment with our clinic as soon as possible.

The purpose of this visit is to:

- Review the diagnosis and treatments received in the ER.
- Adjust or refill any new medications prescribed.
- Monitor your current symptoms and physical progress.
- Coordinate any further testing or specialist referrals required.

Please call our office at [Clinic Phone Number] immediately to schedule your appointment. When calling, please mention that this is an "ER Follow-Up" so we can prioritize your scheduling.

If you are experiencing a recurrence of your emergency symptoms, chest pain, difficulty breathing, or any other life-threatening issues, do not wait for this appointment-call 911 or return to the nearest Emergency Room immediately.

We look forward to seeing you soon.

Sincerely,

[Provider Name/Signature]
