RE: Follow-up regarding Emergency Room visit for [Chronic Condition Name]

Dear Dr. [Doctor Last Name],

I am writing to inform you that I was treated in the Emergency Room at [Hospital Name] on [Date of ER Visit] due to complications related to my [Chronic Condition].

During the visit, the following symptoms were addressed: [Briefly list symptoms]. The ER staff performed the following tests/procedures: [List tests like bloodwork, X-rays, etc.].

The ER physician's discharge instructions included:
- [List any new medications prescribed]
- [List changes to existing medications]
- [List immediate restrictions or care instructions]

I would like to schedule a follow-up appointment with you to review the ER findings, adjust my long-term treatment plan, and discuss how to prevent future flare-ups. I have attached the discharge summary and test results to this letter for your review.

I will contact your office to find the earliest available appointment time. If you have any immediate concerns regarding these changes, please contact me at [Phone Number].

Sincerely,
