Re: Follow-Up for Travel Clearance - [Your Full Name] / [Date of Birth]

Dear [Doctor's Name],

I am writing to follow up on my recent recovery from [Type of Infection, e.g., Respiratory Infection/COVID-19] and to formally request a travel clearance letter.

As we discussed during my appointment on [Date of Last Visit], I have completed my treatment and am no longer showing symptoms. I have an upcoming trip scheduled for [Departure Date] and require medical documentation to confirm that I am fit to fly and no longer pose a contagion risk.

Could you please provide a letter on your official letterhead including the following details:

- Confirmation of my recovery and current health status.
- Dates of the initial infection and subsequent clearance.
- A statement that I am fit for air travel.

Please let me know if I need to schedule a final brief examination or if the letter can be sent via [Email/Portal/Pickup].

Thank you for your assistance.

Sincerely,

[Your Signature]
