Re: Follow-Up Regarding Your Recent Breast Health Screening

Dear [Patient Name],

Thank you for choosing [Facility Name] for your recent preventative breast health screening on [Date of Screening].

We are writing to inform you that your results require a routine follow-up appointment. Please note that an invitation for follow-up testing is common and is often needed to obtain clearer images or to evaluate a specific area in more detail. It does not necessarily mean that an abnormality has been found.

To ensure the most thorough care, we recommend scheduling the following next step(s):

- Follow-up Diagnostic Mammogram
- Breast Ultrasound
- Clinical Consultation
- Other: [Specify]

Please contact our scheduling department at [Phone Number] between the hours of [Hours of Operation] to arrange your appointment. We have already sent a referral to your primary care physician, [Physician Name].

If you have any questions regarding these results or the next steps in your care, please do not hesitate to contact our clinical staff at [Phone Number].

Sincerely,

[Staff Name/Department]

[Facility Name]
