[Date]

[Patient Name]
[Patient Address]
[City, State, Zip Code]

Dear [Patient Name],

We are writing to provide you with the pathology results from the biopsies taken during your colonoscopy performed on [Date of Procedure].

Pathology Findings:

[Insert Findings - e.g., Hyperplastic polyps / Adenomatous polyps / Normal tissue]

Interpretation:

[Insert Explanation - e.g., These findings are benign (non-cancerous). / These findings are precancerous growths that have been completely removed.]

Follow-up Recommendations:

Based on these results and the findings during your procedure, your next screening colonoscopy is recommended in:

[Number of years, e.g., 5 years / 10 years]

If you experience any new symptoms such as persistent abdominal pain, rectal bleeding, or a significant change in bowel habits before your next scheduled screening, please contact our office immediately.

A copy of this report has been sent to your primary care physician. If you have any questions regarding these results, please call our office at [Phone Number].

Sincerely,

[Physician Name]
