RE: Patient Follow-Up - [Patient Name] (DOB: [Patient Date of Birth])

Dear Dr. [Endocrinologist Last Name],

I am writing to follow up regarding my recent referral to your office for the management of osteoporosis. I was referred by my primary care physician, Dr. [PCP Name], on [Date of Referral].

The purpose of this consultation is to seek specialist evaluation for:

- [Specific reason, e.g., Low bone density T-score of -2.5]
- [History of recent fractures]
- [Review of current bisphosphonate or hormone therapy]

I have already completed the following tests, and the results have been sent to your office:

- DEXA Scan dated: [Date]
- Blood Work (Calcium/Vitamin D) dated: [Date]
- [Other relevant tests]

Please let me know if any additional documentation is required or if a specific appointment time has been scheduled. I can be reached at [Your Phone Number] to confirm these details.

Thank you for your time and assistance with my care.

Sincerely,
