Claimant/Plaintiff: [Name]

Insured/Defendant: [Trucking Company Name and Driver Name]

Date of Loss: [Date]

Claim Number: [Number]

Matter: [Court Case Number, if applicable]

Dear [Recipient Name],

Following the mediation held on [Date of Mediation] with [Mediator Name], we have carefully reviewed the additional information and arguments presented regarding the commercial trucking accident involving our client and [Defendant Name].

While an agreement was not reached during the formal session, we remain committed to a fair and efficient resolution of this matter to avoid the risks and expenses associated with further litigation and trial.

Based on our evaluation of the liability factors, including [mention logbook violations, maintenance issues, or traffic citations, if any], and the documented medical damages, we hereby submit the following final post-mediation settlement offer:

Settlement Amount: \$[Dollar Amount]

This lump-sum payment shall serve as full and final satisfaction of all claims, including but not limited to:

- Past and future medical expenses.
- Lost wages and loss of earning capacity.
- Pain, suffering, and emotional distress.
- Property damage and loss of use.

This offer is contingent upon the execution of a standard release of all claims and the dismissal of the pending lawsuit with prejudice, with each party bearing their own legal fees and costs.

This offer shall remain open until [Time] on [Date]. If we do not receive a written acceptance by that time, the offer will be considered withdrawn, and we will proceed with the scheduled discovery and trial preparation.

We look forward to your response.
