Under [State/City] law, dog owners are held strictly liable for damages suffered by persons bitten by their dog, regardless of the former viciousness of the dog or the owner's knowledge of such viciousness. At the time of the incident, I was lawfully on the property and did nothing to provoke the animal.

As a direct result of this attack, I sustained the following injuries and losses:

- [Description of physical injuries/bite marks]
- Medical expenses for [Emergency room/Doctor visits/Stitches]
- Pain, suffering, and emotional distress
- Lost wages totaling [Amount, if applicable]

I am currently compiling all medical records, billing statements, and photographic evidence of my injuries. I am open to discussing a fair settlement to resolve this matter without the need for formal litigation. If you have homeowner's or renter's insurance, please forward this letter to your insurance carrier immediately to initiate a claim.

Please acknowledge receipt of this letter in writing within [Number, e.g., 10] business days. I look forward to your prompt cooperation in resolving this matter.
