Re: Annual Property Insurance Renewal - Policy Number: [Insert Policy Number]

Dear [Policyholder Name],

We are pleased to provide the renewal terms for your commercial property insurance policy for the upcoming period of [Start Date] to [End Date].

As part of our commitment to addressing modern risks, we have integrated a **Cyber Liability Endorsement** into your property renewal package. Given the increasing reliance on digital systems for building management and business operations, this integration ensures there are no gaps between your physical assets and your digital security.

Key features of this integrated coverage include:

- Data Breach Response and Notification Costs
- Cyber Extortion and Ransomware Protection
- Business Interruption caused by Network Downtime
- Digital Asset Restoration

Please review the attached renewal schedule and policy wordings for specific limits and sub-limits applicable to the cyber liability section. Your premium for the upcoming year, which includes this added protection, is [Insert Amount].

To confirm your renewal and the inclusion of the cyber integration, please sign and return the enclosed acceptance form by [Insert Deadline Date].

If you have any questions regarding how this cyber coverage interacts with your existing property limits, please contact your account manager at [Insert Phone Number/Email].

Sincerely,
