Subject: Protecting your home and your pet

Dear [Policyholder Name],

Thank you for choosing [Company Name] to protect [Pet's Name]. We love having you as part of our pet insurance family.

We are writing to let you know that we also offer Renters Insurance designed to protect you and your belongings. While your current policy covers your pet's health, our Renters Insurance provides coverage for:

- **Personal Property:** Protection for your furniture, electronics, and clothes.
- **Liability Coverage:** Protection if someone is injured in your home or if your pet causes damage to others.
- **Additional Living Expenses:** Help with costs if your rental becomes uninhabitable due to a covered loss.

Because you are already a loyal policyholder, you may be eligible for a multi-policy discount when you add Renters Insurance to your account.

Getting a quote takes less than two minutes. You can visit our website at [Website URL] or reply to this email to learn more.

Best regards,
