RE: Estate of [Deceased's Full Name], Case No. [Case Number]

Dear [Recipient Name],

I am writing in response to your settlement proposal dated [Date of original proposal]. While I appreciate the effort to resolve this matter outside of litigation, I am unable to accept the terms as currently outlined.

After careful consideration, I am prepared to offer the following counter-proposal to resolve all outstanding disputes regarding the distribution of the Estate:

- **Distribution of Assets:** [State specific percentage or dollar amount you are proposing].
- **Specific Property:** [List specific items, real estate, or accounts you wish to be allocated to you].
- **Administrative Expenses:** [Specify how legal fees and executor commissions should be paid].
- **Release of Liability:** Upon execution of this agreement, all parties shall sign a mutual release of all claims related to the Estate.

This counter-proposal is based on [Briefly mention the reason, e.g., the specific language in the Will, previous contributions, or statutory rights]. I believe these terms represent a fair and equitable compromise that will avoid further delays and legal expenses for all beneficiaries.

This offer is made for settlement purposes only and is without prejudice to my legal rights and positions should this matter proceed to trial. This offer shall remain open for your acceptance until [Time] on [Date].

I look forward to your response.

Sincerely,

[Your Signature]
