RE: SETTLEMENT DEMAND AND NOTICE OF OPT-OUT

Matter: Exposure to [Specific Chemical/Toxin] in [Product Name]

Class Action Case Reference: [Case Name and Number, if applicable]

To Whom It May Concern,

I am writing to formally notify [Company Name] of my intent to opt-out of any proposed class action settlement regarding the toxic exposure associated with [Product Name]. I do not wish to be bound by the terms of any global settlement that waives my right to pursue individual legal action.

This demand arises from my purchase and use of [Product Name] between the dates of [Start Date] and [End Date]. During this period, I was exposed to [Name of Toxin/Chemical], which has been linked to significant health risks and [list specific injuries or medical monitoring needs].

Based on the evidence of liability and the damages I have sustained, I hereby make a formal settlement demand in the amount of \$[Dollar Amount]. This sum represents compensation for:

- Medical expenses and diagnostic testing;
- Pain and suffering;
- Emotional distress;
- Loss of quality of life;
- Punitive damages for failure to warn.

Please consider this a good-faith effort to resolve this matter before I initiate formal litigation or individual arbitration. I have attached [mention receipts, medical reports, or lab results] as evidence of my claim.

I look forward to your response within [Number of Days, e.g., 30] days. If I do not hear from you by that time, I will proceed with all available legal remedies.

Sincerely,

[Your Signature]
