RE: FORMAL DEMAND FOR SETTLEMENT - OPT-OUT OF CLASS ACTION

Vehicle: [Year, Make, Model]
VIN: [17-Digit Vehicle Identification Number]

To Whom It May Concern,

I am writing to formally demand a settlement regarding the emissions fraud and "defeat device" software installed in my vehicle. I have officially opted out of the class action settlement titled *[Name of Class Action Lawsuit, e.g., In re: Volkswagen "Clean Diesel" Marketing, Sales Practices, and Products Liability Litigation]*, as evidenced by my timely exclusion request submitted on [Date].

As an opt-out plaintiff, I retain my full individual rights to pursue legal action against [Manufacturer Name] for fraud, breach of contract, violation of consumer protection laws, and the resulting diminished resale value of my vehicle. The deceptive practices employed by your company led me to purchase a vehicle under the false premise that it met environmental and regulatory standards.

I am prepared to settle my individual claim for the total amount of \$[Amount Requested]. This figure represents:

- The premium paid for the "clean" technology;
- The significant depreciation and loss of resale value;
- Compensation for loss of use and increased fuel/maintenance costs.

I am open to a reasonable discussion to resolve this matter without the need for individual litigation. However, should we fail to reach an agreement within 30 days of this letter, I will proceed with all available legal remedies, including the filing of a formal complaint in a court of competent jurisdiction.

Please direct all correspondence regarding this matter to the address listed above.

Sincerely,
