RE: FINAL NOTICE - Windstorm and Hail Exclusion Endorsement

Policy Number: [Policy Number]

Property Address: [Insured Property Address]

Effective Date of Exclusion: [Date]

Dear [Policyholder Name],

This letter serves as formal and final notification that a Windstorm and Hail Exclusion Endorsement has been added to your insurance policy, effective [Date].

As previously communicated, your policy no longer provides coverage for physical loss or damage caused by, or resulting from, wind or hail. This includes, but is not limited to, damage to the roof, structure, or interior of the property resulting from wind gusts, hurricanes, tornadoes, or hailstones.

Please review your updated Policy Declarations Page and the attached Endorsement [Form Number] carefully. It is important to understand that you must seek alternative coverage through a separate windstorm provider or a state-run insurance pool if you wish to maintain protection against these specific perils.

If you have any questions regarding this change or require assistance in locating a specialized windstorm provider, please contact your insurance agent at [Agent Phone Number] or our customer service department at [Company Phone Number].

Sincerely,

[Name of Representative]
