Subject: Request for Blanket Tools and Equipment Floater Endorsement

Dear [Insert Contact Person Name],

This letter serves as a formal request to add a Blanket Tools and Equipment Floater Coverage Endorsement to the above-referenced insurance policy.

We request that the coverage be applied as follows:

- **Coverage Type:** Blanket basis for all mobile tools, machinery, and equipment owned, leased, or rented by the insured.
- **Total Blanket Limit:** $[Insert Total Amount]
- **Maximum Limit Per Item:** $[Insert Amount, e.g., 5,000] (for items not individually scheduled)
- **Deductible:** $[Insert Amount] per occurrence

It is our understanding that this endorsement will provide "all-risk" coverage for our equipment while in transit, at job sites, or stored at temporary locations, subject to policy exclusions. We request that this coverage include protection against theft, fire, vandalism, and accidental damage.

Please provide a formal endorsement document and an invoice for any additional premium resulting from this change. Should you require an updated inventory list or further details regarding our operations, please let us know immediately.

Thank you for your assistance in ensuring our business assets are properly protected.

Sincerely,
