Dear [Client Name 1] and [Client Name 2],

Congratulations on your recent marriage! This is an exciting new chapter in your lives, and I wish you both a lifetime of happiness.

As you begin your journey together, your financial priorities naturally shift. Now that you are sharing responsibilities-such as a home, monthly expenses, or future family goals-it is important to ensure that your partner is protected should the unexpected happen. Life insurance is no longer just about personal coverage; it is about securing your shared future.

I would like to offer you a complimentary **Newlywed Life Insurance Needs Assessment**. During this brief review, we will discuss:

- Income replacement to maintain your current lifestyle.
- Mortgage protection to ensure your home remains secure.
- Debt coverage for any joint loans or credit cards.
- Future planning for children or education.

Our goal is to find a plan that fits your current budget while providing the peace of mind you deserve as a new couple.

Are you available for a 15-minute phone call or a brief meeting on [Day of Week] at [Time]? Please let me know what works best for your schedule.

Congratulations again, and I look forward to helping you protect your future together.

Sincerely,
