

Subject: Coverage Update: Celebrating Your Family's Growth

Dear [Policyholder Name],

Happy Anniversary! As we mark another year of providing protection for your family, we wanted to take a moment to celebrate the milestones and growth your household has experienced.

When your family grows, your insurance needs often change. Whether you have welcomed a new child, seen your children grow into new life stages, or adjusted your living arrangements, it is important to ensure your coverage still fits your current lifestyle.

In honor of your policy anniversary, we recommend a brief review of your current plan to account for:

- New dependents or family members.
- Changes in education or childcare savings needs.
- Updates to your home or living space to accommodate growth.
- Increased life insurance or disability requirements.

Updating your policy now ensures that every member of your family remains fully protected without any gaps in coverage.

Please contact us at [Phone Number] or [Email Address] to schedule a quick review or to make any necessary updates to your account.

Thank you for letting us be a part of your family's journey.

Best regards,
