Subject: Request for Identity Theft Protection and Financial Security Coverage

To Whom It May Concern,

I am writing to formally request the addition of Identity Theft Protection coverage to my current policy, [Policy Number, if applicable]. As a young adult establishing my financial independence, I am seeking to secure my personal information and financial assets against potential fraud and digital theft.

Please provide me with information regarding your available coverage options, specifically focusing on:

- Credit monitoring services and real-time alerts.
- Financial reimbursement for losses incurred due to identity theft.
- Assistance with identity restoration and legal fees.
- Protection for digital accounts and online transactions.

If this coverage is already included in my existing plan, please provide a summary of the benefits and the process for filing a claim should the need arise. If it is an optional add-on, please send a quote for the premium increase and instructions on how to enroll.

I look forward to receiving this information to ensure my long-term financial security. Thank you for your assistance.

Sincerely,

[Your Signature]
