Dear [Investor Name],

Subject: Update on Cyber Liability Coverage and Compliance Standards

As part of our ongoing commitment to data security and institutional compliance, [Company Name] is pleased to provide an update regarding our enhanced Cyber Liability Insurance coverage.

In response to the evolving digital threat landscape and the specific compliance requirements outlined in our investment agreements, we have secured a comprehensive cyber policy that includes:

- Data Breach Response and Notification
- Network Security and Privacy Liability
- Cyber Extortion and Ransomware Protection
- Business Interruption Coverage
- Regulatory Defense and Penalties

This coverage ensures that we meet the highest standards of risk mitigation and provides an additional layer of protection for the assets and information we manage on your behalf. We have vetted our policy limits against current industry benchmarks to ensure they align with the expectations of our institutional partners.

Attached to this letter, please find the Certificate of Insurance (COI) for your records. If your compliance department requires additional documentation or a full summary of coverage, we are happy to provide it upon request.

We remain dedicated to maintaining a secure operational environment. Should you have any questions regarding our cybersecurity protocols, please contact [Name/Title] at [Email/Phone].

Sincerely,
