Subject: MANDATORY INSPECTION REQUIRED: Cross-Country RV Coverage

Dear [Policyholder Name],

Thank you for choosing [Insurance Company Name] for your Recreational Vehicle insurance needs. We have received your request to add "Cross-Country Extended Coverage" to your policy for the following vehicle:

- **Year:** [RV Year]
- **Make/Model:** [RV Make and Model]
- **VIN:** [Vehicle Identification Number]

To finalize this coverage and ensure your vehicle is roadworthy for long-distance travel, a mandatory pre-coverage inspection is required. This inspection must be completed within [Number] days of this notice.

Inspection Requirements:

- The inspection must be performed by a certified RV technician or at an authorized [Insurance Company Name] inspection center.
- The technician must verify the condition of the tires, braking system, chassis, and exterior seals.
- Current photographs of all four sides of the RV and the odometer reading must be submitted with the report.

Next Steps:

Please schedule your appointment and have the inspector send the completed report to [Email Address] or upload it via our mobile app. Failure to provide a passing inspection report by [Deadline Date] will result in the denial of the Cross-Country endorsement, and your coverage will remain limited to local travel only.
