

Subject: Financial Protection Referral for [Client Names]

Dear [Recipient Name],

I am writing to introduce [Name of Newlywed 1] and [Name of Newlywed 2], who have recently married and are looking to establish a solid financial foundation for their future together.

As they enter this new chapter, they are interested in reviewing their protection needs, including life insurance, income protection, and joint financial planning. Given your expertise in the Newlywed Financial Protection Network, I believe your guidance would be invaluable to them.

I have copied them on this email so you can connect directly to schedule an introductory consultation. I have also provided their contact details below:

- Email: [Email Address]
- Phone: [Phone Number]

Thank you for taking the time to assist them with their financial security.

Best regards,
