RE: Referral for Marriage Counseling Services - [Client Names]

Dear [Counselor Name],

I am writing to formally refer my clients, [Client Name 1] and [Client Name 2], to your practice for marriage counseling services.

The parties are currently seeking professional guidance to address [briefly mention goal, e.g., communication issues, reconciliation efforts, or mediation support]. As their legal counsel, I believe that your expertise in family systems and conflict resolution would be highly beneficial to their current situation.

Please let my office know if you require any specific documentation or a signed release of information to facilitate communication between our offices regarding their progress, should that become necessary. The clients have been instructed to contact your office directly to schedule an initial intake appointment.

Thank you for your time and for providing these essential services to my clients. If you have any questions, please feel free to contact me.

Sincerely,

[Attorney Signature]
