Re: Advance Conflict of Interest Waiver

Dear [Client Contact Name],

This letter follows our discussion regarding [Law Firm Name]'s representation of [Client Name] (the "Client") in connection with [Description of Matter].

As we discussed, our firm represents many other entities and individuals. It is possible that in the future, a present or future client may request that we represent them in a matter where their interests are adverse to yours. To avoid potential disqualification, we are asking you to waive future conflicts of interest under the conditions set forth below.

By signing this letter, the Client agrees that [Law Firm Name] may represent other clients in matters that are adverse to the Client, provided that:

- The matter is not substantially related to the legal services we are providing to the Client;
- We have not obtained confidential information from the Client that is material to the new matter; and
- The firm implements appropriate ethical screens if deemed necessary to protect Client information.

This waiver does not apply to any instance where [Law Firm Name] would be required to sue the Client on behalf of another party in the same litigation or transaction for which we are currently retained.

Please review this waiver carefully and consult with independent counsel if you have any questions regarding the implications of this agreement. If you agree to these terms, please sign and return the enclosed copy of this letter.

Sincerely,

[Attorney Name]
