Re: Advance Conflict of Interest Waiver

Dear [Client Contact Name],

This letter follows our discussions regarding [Law Firm Name] (the "Firm") representing [Client Name] (the "Client") in connection with [Description of Current Matter/Litigation].

As we discussed, the Firm represents many other companies and individuals. It is possible that during the time we are representing the Client, another current or future client may ask us to represent them in a matter that is adverse to the Client. This could include commercial litigation, bankruptcy proceedings, or business negotiations.

Accordingly, as a condition of our representation, the Client agrees to waive any future conflicts of interest that may arise, provided that:

- The matter is not substantially related to the specific legal services the Firm is currently providing to the Client;
- The Firm's representation of the other client will not involve the use of any confidential information obtained from the Client; and
- The Firm implements appropriate ethical walls and screening procedures to protect the Client's information.

By signing this letter, the Client confirms that it has had the opportunity to consult with independent counsel regarding the implications of this waiver. This waiver allows the Firm to represent other parties in matters adverse to the Client without the need for additional consent in the future, subject to the conditions above.

Please indicate your agreement by signing and returning a copy of this letter.

Sincerely,
