Re: Advance Conflict Waiver for Intellectual Property Services

Dear [Client Contact Name],

This letter confirms the terms upon which [Law Firm Name] (the "Firm") will provide legal services to [Client Name] (the "Client") regarding the management, prosecution, and enforcement of the Client's intellectual property portfolio.

The Firm represents many clients in various industries. It is possible that during our representation of the Client, another existing or future client may request that the Firm represent them in matters that are adverse to the Client, provided those matters are not substantially related to the legal services we are providing to you.

By signing this letter, the Client agrees to waive any potential or actual conflict of interest that may arise from the Firm representing other parties in matters including, but not limited to, patent prosecution, trademark registration, or licensing negotiations, even if those parties' interests are adverse to the Client's business interests, subject to the following conditions:

- The matter is not substantially related to any specific matter in which the Firm is currently representing the Client.
- The Firm's representation of the other party will not involve the use of any confidential information obtained from the Client.
- The Firm will implement ethical screens where necessary to protect the Client's privileged information.

This advance waiver does not apply to any matter where the Firm would be required to represent another party in active litigation or formal arbitration directly against the Client.

The Client acknowledges that it has had the opportunity to consult with independent counsel regarding the implications of this waiver.

Please indicate your agreement to these terms by signing and returning the enclosed copy of this letter.

Sincerely,
