Re: Joint Representation for Drafting Dissolution Agreement

Dear [Party 1 Name] and [Party 2 Name],

This letter confirms that you have requested [Law Firm Name/Attorney Name] to assist you both in drafting a formal agreement to dissolve your [Business Partnership/Marriage/Joint Venture].

1. Disclosure of Conflict: Under the Rules of Professional Conduct, an attorney typically represents only one party in a legal matter. Because you are both parties to this dissolution, your interests are technically adverse. A conflict of interest exists because the terms most favorable to one party may not be the most favorable to the other.

2. Scope of Representation: I will act as a neutral scrivener to document the terms you have mutually agreed upon. I cannot provide independent legal advice to either of you or advocate for one person's interests over the other. My role is limited to drafting the document based on your joint instructions.

3. Confidentiality: In a joint representation, there is no "attorney-client privilege" between the two of you. Anything one party tells me regarding this matter may be shared with the other party.

4. Right to Independent Counsel: I strongly advise both of you to have this agreement reviewed by separate, independent legal counsel before signing the final document to ensure your individual rights are protected.

5. Withdrawal: If a dispute arises during this process that you cannot resolve, I must withdraw from representing both of you and cannot represent either party against the other in future litigation regarding this matter.

CONSENT AND WAIVER

By signing below, you acknowledge that you have read this waiver, understand the risks of joint representation, and voluntarily waive any conflict of interest to proceed with the drafting of your dissolution agreement.
