Re: Conflict of Interest Waiver - Joint Representation for [Title of Invention/Patent Application]

Dear [Inventor Name 1] and [Inventor Name 2],

This letter confirms that [Law Firm/Attorney Name] ("the Firm") has been asked to represent both of you jointly in connection with the preparation, filing, and prosecution of a patent application for the invention titled "[Invention Title]."

1. Joint Representation

The Firm will represent your shared interests in securing intellectual property protection. Because we are representing more than one party, a potential conflict of interest may arise. For example, a conflict could occur regarding the determination of inventorship, the percentage of ownership, or the strategy for licensing or selling the technology.

2. Information Sharing

In a joint representation, any information shared by one inventor with the Firm regarding this matter will not be kept confidential from the other inventor. By signing this waiver, you agree that we may share all relevant information with both parties.

3. Potential for Withdrawal

If a dispute arises between you that creates a direct conflict of interest that cannot be resolved, the Firm may be required to withdraw from representing one or both of you to comply with ethical rules. In such an event, you may need to hire separate legal counsel at your own expense.

4. Waiver

By signing below, you acknowledge that you have been advised of the potential risks of joint representation, have had the opportunity to consult with independent counsel regarding this waiver, and voluntarily consent to the Firm representing you jointly.

Sincerely,

[Attorney Name]

[Law Firm Name]

CONSENT AND WAIVER

I have read this letter, understand the potential conflicts, and agree to the joint representation described above.
