Re: [Case Name]
Case Number: [Case Number]

Dear [GAL Name],

I am writing to formally request a review of the current supervised visitation arrangement concerning my child(ren), [Child Name(s)]. As the court-appointed Guardian Ad Litem, I am providing these instructions for your upcoming investigation and recommendation to the court.

Specifically, I request that you evaluate the following:

- **Compliance:** Review the reports from the visitation supervisor to confirm consistent attendance and adherence to all court-ordered rules.
- **Parent-Child Bond:** Observe a visitation session to assess the quality of interaction and the emotional well-being of the child(ren) during contact.
- **Progress:** Review any completed requirements (such as counseling, classes, or treatments) that were established as conditions for moving toward unsupervised or expanded visitation.
- **Safety Assessment:** Determine if the safety concerns that originally necessitated supervision have been sufficiently mitigated.

Please find attached the following supporting documents: [List documents, e.g., certificates of completion, supervisor logs, or character references].

I look forward to your visit and your subsequent report regarding whether a transition to [unsupervised/liberalized/step-up] visitation is in the best interest of the child(ren) at this time.

Thank you for your time and professional attention to this matter.

Sincerely,
