Re: Software Patent Litigation Attorney Application

Dear [Mr./Ms./Mx. Surname],

I am writing to express my strong interest in the Software Patent Litigation Attorney position at [Law Firm Name]. As a registered patent attorney with a background in [Computer Science/Electrical Engineering] and [Number] years of experience litigating high-stakes intellectual property disputes, I am confident in my ability to contribute to your firm's prestigious Intellectual Property practice group.

In my current role at [Current Firm/Company], I focus on complex patent litigation involving cloud computing, artificial intelligence, and encryption protocols. My experience spans all stages of the litigation lifecycle, including conducting pre-filing investigations, managing technical discovery, drafting Markman briefs, and working closely with technical experts to simplify complex source code issues for the court.

Key highlights of my experience include:

- Representing [Client Industry] leaders in Section 337 investigations before the ITC and in U.S. District Courts.
- Developing invalidity and non-infringement contentions for portfolios covering [Specific Software Technology].
- Conducting thorough source code reviews and depositions of technical leads.
- Successfully arguing motions in [Specific Court/Jurisdiction].

I am particularly drawn to [Law Firm Name] because of your reputation for handling landmark software patent cases and your integrated approach to technical defense. I possess the technical fluency required to bridge the gap between software engineers and legal decision-makers, ensuring the most robust protection for your clients' innovations.

Thank you for your time and consideration. I have attached my resume and a representative writing sample for your review. I look forward to the possibility of discussing how my technical expertise and litigation background can benefit [Law Firm Name].

Sincerely,

[Your Name]
