Dear [Hiring Manager Name],

I am writing to express my strong interest in the Legal Intern position at [Organization Name] for the [Season/Year] term. As a current law student at [Law School Name] with a commitment to environmental justice and conservation, I am eager to contribute to your legal team's efforts to protect the natural world.

During my legal education, I have focused my coursework on Environmental Law, Administrative Law, and Litigation. I have developed strong legal research and writing skills, particularly in analyzing statutes such as the Clean Air Act and the National Environmental Policy Act. My previous experience at [Previous Organization or Clinic] allowed me to draft legal memos, assist in discovery, and monitor regulatory developments, which I am ready to apply to your ongoing cases.

I am particularly drawn to [Organization Name] because of your recent work regarding [Specific Case, Policy, or Issue]. I admire your organization's use of strategic litigation to hold polluters accountable and advocate for sustainable policy changes. I am confident that my attention to detail and passion for environmental advocacy make me a strong candidate for this internship.

Thank you for your time and consideration. I have attached my resume, a writing sample, and my transcript for your review. I look forward to the possibility of discussing how I can support your legal department.

Sincerely,
