Dear [Mr./Ms./Mx. Last Name],

I am writing to express my strong interest in the Conservation Law Pro Bono Fellowship at [Law Firm Name]. As a [Current Year] student at [Law School Name] with a dedicated focus on environmental jurisprudence and land stewardship, I am eager to contribute to your firm's mission of protecting natural resources through high-impact legal advocacy.

During my academic career, I have concentrated my research on [Specific Topic, e.g., Water Rights, Endangered Species Act, or Public Lands Policy]. As a clinician at [Legal Clinic Name], I gained hands-on experience drafting [Document Type, e.g., conservation easements or regulatory comments] and performing complex title searches. These experiences have equipped me with the technical precision required to support your firm's conservation litigation and transactional work.

I am particularly drawn to [Law Firm Name] because of your recent success in [Mention a specific case or project the firm handled]. My commitment to pro bono service is reflected in my work with [Organization Name], where I provided [Number] hours of legal aid to underserved communities. I am confident that my background in environmental science and my legal training make me an ideal candidate to advance your firm's environmental initiatives.

Thank you for your time and for considering my application. I have attached my resume, transcript, and a writing sample for your review. I look forward to the possibility of discussing how I can contribute to your conservation team.

Sincerely,
