Dear [Mr./Ms./Mx.] [Hiring Manager Last Name],

I am writing to express my strong interest in the [Job Title] position at [Law Firm Name]. Having spent the last [Number] years as the founder of [Startup Name], I am eager to transition my entrepreneurial background, commercial acumen, and legal education into a dedicated career within corporate legal practice.

As a founder, I navigated the entire business lifecycle, from entity formation and seed funding to contract negotiations and regulatory compliance. This experience provided me with a unique "client-side" perspective on legal services. I understand firsthand the pressure of corporate transactions and the necessity for legal advice that is not only technically sound but also commercially viable.

During my tenure at [Startup Name], I specifically managed:

- [Key Achievement 1: e.g., Drafting and negotiating Master Service Agreements and NDAs]
- [Key Achievement 2: e.g., Managing legal due diligence for a \$X fundraising round]
- [Key Achievement 3: e.g., Ensuring intellectual property protection and employment law compliance]

While I enjoyed the challenges of building a company, my primary interest has always remained in the structural and contractual frameworks that make business possible. I am now seeking to apply my grit, problem-solving skills, and deep understanding of corporate operations to support [Law Firm Name]'s clients in the [Specific Department, e.g., M&A or Venture Capital] group.

I am impressed by [Law Firm Name]'s reputation for [mention a specific firm achievement or practice area]. I am confident that my ability to thrive in fast-paced environments and my dedication to detail will make me a valuable asset to your team.

Thank you for your time and consideration. I look forward to the possibility of discussing how my background can contribute to the continued success of [Law Firm Name].

Sincerely,

[Your Name]
