RE: NOTICE TO CEASE AND DESIST - Intellectual Property Infringement

Dear [Recipient Name],

I am writing to you in good faith to bring to your attention a matter of intellectual property infringement regarding proprietary software code owned by [Your Name or Company Name] ("Owner").

It has come to our attention that the following software, application, or platform: **[Name of Infringing Product/URL]** contains source code or functional modules that are identical or substantially similar to the following proprietary work: **[Name of Original Software/Repository]**.

The original software code was created by [Author Name] and is protected under applicable copyright and intellectual property laws. We have not granted you or your organization a license, permission, or authorization to use, copy, distribute, or create derivative works from this code.

Required Actions:

To resolve this matter without further legal escalation, we demand that you perform the following actions by [Insert Date, e.g., 10 business days from now]:

- Immediately cease all use of the infringing code.
- Remove the infringing code from all public and private repositories, servers, and live environments.
- Confirm in writing that the code has been deleted and is no longer being utilized in your products or services.
- Provide an accounting of any revenue derived from the use of the infringing material.

We prefer to resolve this issue amicably. However, if we do not receive a satisfactory response by the date mentioned above, we will be forced to consider all available legal remedies to protect our intellectual property rights, which may include seeking injunctive relief and monetary damages.

Please coordinate your response and any questions to [Your Email Address] or [Your Phone Number].

Sincerely,

[Your Signature]

[Your Printed Name]

[Your Title/Organization]
