Re: NOTICE TO CEASE AND DESIST - Infringement of U.S. Design Patent No. [Patent Number]

Dear [Name of Contact Person or Business Owner],

I am writing to you on behalf of [Your Name or Company Name] ("the Owner"), the legal owner of United States Design Patent No. [Patent Number], titled "[Title of Patent]," issued on [Issue Date]. This patent protects the ornamental design for [Description of Product].

It has come to our attention that your company is currently manufacturing, marketing, and/or selling a product identified as "[Name of Infringing Product]" which incorporates a design that is substantially identical to our patented design. Specifically, your product [describe the specific similarities or where it is being sold, e.g., on your website/Amazon storefront].

Under 35 U.S.C. § 289, the unauthorized use of a patented design constitutes infringement. This letter serves as a formal demand that you immediately:

1. Cease and desist from all further manufacturing, distribution, marketing, and sales of the infringing product;
2. Remove all listings for the infringing product from all websites and online marketplaces;
3. Provide an accounting of all inventory currently in your possession and all sales generated from the infringing product to date;
4. Destroy or surrender all remaining inventory of the infringing product.

We prefer to resolve this matter amicably and without litigation. However, if we do not receive a written response by [Date, e.g., 10 business days from now] confirming your intent to comply with these demands, we will have no choice but to consider further legal action to protect our intellectual property rights, which may include seeking injunctive relief and monetary damages.

Please govern yourself accordingly.

Sincerely,
